+ MySQL

IDE

+Visual Studio Code

+IntelliJ IDEA, STS

Others

+Experience with Agile and Scrum development process by Axon Active

SUMMARY

I'm a student from HCMUTE.
This is my last semester at college and I still have 1 subject.
If I join in your company, I will be absent half-day.
I don't have a lot of experience in Web Development. That why I want to learn more skills. I know to make mistakes but I will do my best.

SKILLS

HTML	<div><div></div><div></div><div></div><div></div><div></div></div>
CSS	<div><div></div><div></div><div></div><div></div><div></div></div>
Java	<div><div></div><div></div><div></div><div></div><div></div></div>
Javascript	<div><div></div><div></div><div></div><div></div><div></div></div>
